Edge Profiles

To complete your door selection, simply choose your preferred edge profile from the range illustrated below.

Custom Kit's range of routed door profiles feature over 50 cabinetry door designs to suit any style of kitchen or bathroom.

Choose from a selection of doors styles that feature clean lines, bevelled edges, ribbed profiles or a colonial influence.

Select from our extensive range of melamine designs to create a strong visual element within the kitchen or bathroom and provide a tactile finish. The range includes matt or satin effects, gloss finishes and woodgrain textures, in fine linear or coarser grain surfaces.
